# Overview

Sally Wong is a counsel in the Litigation & Dispute Resolution practice in JSM's Hong Kong office. She handles personal injury litigation and specialises in medical negligence claims and complaints. She focuses on advising and assisting healthcare professionals, including doctors, dentists, and physiotherapists, in civil, criminal, and disciplinary proceedings. She also advises public and private hospitals in Hong Kong. Sally has assisted doctors and dentists in Medical Council and Dental Council Inquiries, as well as Council on Human Reproductive Technology investigations and inquests. Sally has given talks on medico-legal topics to doctors. She speaks English, Cantonese and Mandarin.
